

First Annual Crown The King Swimming Event 2014

Jason Watt and Dionne Tatlow delivered on their promise of perfect conditions for a unique event held at Trippes Beach on the Narrow Road in the PA National Park this past Monday Sep 1, 2014.

The "Crown the King" event saw over a dozen swimmers participating in a 1.6km swim to King Island - just to warm up - and then race back the 1.6km to Trippes Beach for a picnic lunch.

Much thanks to Jason and Dionne the organizers, and to the many boaters and kayakers and to Mark Nagy and the PA Triathlon Club for their support.

This event is likely to be repeated next year, on the Monday of the long weekend in September - which gives us plenty of time to practice for the event.
